

2018 PROGRAM FEEDBACK FORM

I Teacher Survey

THANK YOU!

We are fully aware of the pressures that class-room teachers live with day in day out and as such we want to extend our thanks in advance for taking the time to fill out this and other questionnaires.

Eagle's Nest is currently experiencing unprecedented growth. The number of schools requesting programs in the last 12 months has almost doubled and various organisations are now seeking our assistance in developing new Student Learner Programs. This year we were successful in securing the support of the Department of Education and Training, through the Strategic Partnerships Program.

As we grow, we want to ensure that the quality of our programs is not compromised and to do so we will be increasingly relying on feedback questionnaires and programming surveys.

Please be assured that this is not some kind of pro forma customer service exercise. Our success to date is a direct outcome of the ongoing dialogue and relationships we have forged with teachers. Your feedback is taken seriously and shapes the development and delivery of our future programs.

Could you please fill out a copy of this questionnaire for each program presented by Eagle's Nest Theatre yourself and, if possible, find a student who would like to fill in a Student Survey as well. Thanks again and we look forward to reading and considering your responses.

Regards,
The team at Eagles Nest
